

LAUNCHING A NEW DECADE OF PR EXCELLENCE

Smile and save big bucks on a professional portrait at PRSA-MD Chesapeake Conference.

They say a picture is worth a thousand words. Well, what does your professional headshot say about you? Since your photo can be your avatar, accompany your profile, or appear in some wonderful journal, why not make it current and fabulous?

PRSA-Maryland Chapter is proud to partner with Bob Stockfield Photography, LLC, during the 33rd Annual Chesapeake Conference June 17 at the Sheraton Hotel in Towson. Bob, an in-kind sponsor of the event, will offer formal and casual business portrait photography services at a greatly reduced fee during the conference. Portraits can be scheduled by appointment in advance, or walk-up times will be available throughout the day.
